## Cassie Dewell novels

**Series Author:** Box, C. J.

**Adult Fiction**

**Description:**

These gritty, intricately-plotted thrillers star both the indefatigable deputy sheriff Cassie Dewell and, to a lesser extent, her alcoholic, equally tenacious former partner, Cody Hoyt. The compelling series, set in Montana and North Dakota and perfectly capturing the bleak quality of the Great Plains, chronicles their pursuit of missing teens, drug gangs, and serial killers.

**Book Appeal Terms:** Definition of Appeal Terms

### Badlands (Jul 2015)

**By:** Box, C. J.

Thanks to a massive oil discovery, once-dying Grimstad, North Dakota has become a sprawling boom town full of newcomers and new houses -- plus drugs, gangs, and violence. Twelve-year-old paperboy Kyle Westergaard, witnesses a vehicle fatally force another car off the road and snatches up a mysterious bag that falls out of it at the scene. The police say it's a single-car accident -- and Kyle learns that bag is something a lot of people want. Narrated by both Kyle and deputy sheriff Cassie Dewell (readers of The Highway will remember her), this atmospheric novel brims with suspense and action. -- Description by Dawn Towery.
